

simple & safe[®]

all natural ice melter

Simple & Safe[®] Ice Melter has been carefully formulated to be the safer alternative to traditional rock salt. This product is a 100% all-natural ice melter and was created with the environment in mind. **Simple & Safe[®]** Ice Melter is colored orange and stands out against ice and snow. This allows precise spreading of the product, preventing over application and essentially saving you money!

Environmentally Formulated

Safer for Plants and Animals, when used as directed

Colored Orange for Consistent Visual Distribution

Contains: Sodium Chloride, Calcium Chloride, Potassium Chloride and Magnesium Chloride
